If you already have a domain name, please fill in URL address.

Domain Name

Describe the marketing strategy of your business. And, what is the purpose of your web? What do you want it to do for you?

What do you expect to be included in your web? What do you want people to see and know?
How many pages do you think it will take? Best Guess.

If you do not have a domain name. List some of your ideas. ex. yourwebsite.com. List as many as you can think of. Separated by a comma.

Do you already have graphic images, graphic logo, photographs, etc. that can be used in your web? Please describe.

Do you have a color scheme or an idea about how you want your web to look? Please describe.

Enter any other ideas, comments or questions. Also give me a list of email addresses you might want to use. Such as jim@yoursite.com etc...
